

PRODUCT INFORMATION

New Teepol lightly scented Ironing Water

- New Teepol Natural Ironing Water, is derived from plant extracts and contains no synthetic colours ensuring no colour transferring
- Teepol ironing Water, softens and adds a light, fresh fragrance to all clothing and linen
- It is safe to use in any electrical steam iron and contains no limescale, ensuring an optimum lifespan of your steam iron
- For ease of use, Teepol Ironing Water is already diluted and can be used immediately. Simply pour into your steam iron when it is switched off and smell the fragrances being infused into the fabric
- Teepol Ironing Water is now available in two great fragrances, Watermelon and Lavender
