

WALLIS & SAYERS

Naturally Soothing Skin Care Products

- Wallis & Sayers Camphor Cream soothes, moisturizes and nourishes dry, chapped, sore hands, elbows, legs, cracked heels, and any other dry skin problem area
- Also works wonders for skin irritated by sun or windburn
- Making use of the famed active ingredient of camphor, Wallis & Sayers Camphor Cream is a non-greasy, freshly fragranced, multi-purpose skin product designed to increase smooth, supple skin and soothe irritated skin
- Besides a traditional Camphor Cream, Wallis & Sayers is also available in a Herbal formulation
- Wallis & Sayers is manufactured using the finest ingredients, based on a high quality formulation, which is notably less greasy than other similar preparations
- Gentle and soothing, the Wallis & Sayers Rejuvenating Facial Gel-Mask can be used everyday and is re-usable
- The mask can be used hot or cold, it diminishes fine lines, reduces pores and studies show use improves facial skin condition and relaxes facial nerve tension
